

Time

Streamline time tracking and focus on work that matters.

Free up time for work that moves your organization closer to its mission. Automate routine tasks like approving timesheets, responding to time-off requests, and managing schedules with Time. Plus, minimize compliance risk with a robust pay calculation engine, automated notifications, configurable reports, and real-time access to accurate time information.

Consistent, fair rules

Sync your current policies to federal and state regulations to minimize compliance risk and ensure that your policies will be enforced consistently and fairly across all employees.

Accurate data capture

Collect data from a variety of sources, including time clocks, telephony, web entry, and mobile, based on your organization's set up and needs.

Real-time visibility

Make data-driven decisions and course correct as needed with an easy-to-use, configurable dashboard and automated notifications and alerts.

Benefits

For HR professionals and managers

- Drive efficiencies by simplifying routine time and attendance tasks
- Improve compliance and mitigate risk with automatic updates to available pay rules
- Reduce the administrative burden of managing employee attendance and accruals
- Assign and track employees' schedules with ease
- Gain strategic insights through real-time reporting at the click of a button
- Stay ahead of the curve with proactive notifications to help you align with organizational goals
- Easily and quickly make historical timesheet changes, triggering the retro pay processes
- Avoid timesheet errors and payroll delays with Continuous Timesheet Readiness Processing constantly running in the background and notifying managers of potential timesheet errors prior to the due date

For employees

- Get easy, instant access to important information, including timesheets and schedules
- Enjoy multiple user-friendly ways to enter and review time information, including by timeclock, web, and mobile
- Easily manage time-off requests, schedules, timecards, overtime requests, and more via a curated employee portal
- Conveniently launch routine tasks in the mobile app with the tap of a smartphone using NFC tags
- Allow your people to care for each other by donating needed time off to an individual or a pool with Peer-to-Peer Time Off Donations

Features
