The benefits of accepting eConsent, allows you as the borrower, co-borrower and/or non-borrowing titleholder the ability to review and electronically sign important documentation sooner.

WHAT IS ACCOUNTCHECK

To assist you through the mortgage loan process, you will receive a notification from AccountChek. This is an unbiased third-party service used to collect income and asset documentation. Submitting your information through AccountChek is significantly more secure than emailing, faxing, or mailing copies. This convenient feature may also reduce the time it takes to close your loan.
