Logging in to Treasury Management

Log in to Treasury Management after obtaining your Company ID and Login ID from your company administrator.

1. Open your enrollment email and click **Join**.
2. Select the *Initial Login URL* link from your enrollment email. The link directs you to the login page.
3. Enter your *Company ID*.
4. Enter your *Login ID*.
5. Select **Submit**.
6. Select **Create my Bangor Savings Bank ID** and complete the profile fields. Click **Next**.

Login

Input your Treasury Company ID and Treasury User ID to begin the enrollment process. You will be prompted to complete profile details, as well as select a user name and password.

Protect your Bangor Savings Bank ID with 2-step verification

Each time you sign into your Bangor Savings Bank ID on an unrecognized device, we require your password and a verification code. Never share your code with anyone.

- Add an extra layer of security**
Enter your password and a unique verification code.
- Keep the bad people out**
Even if someone else gets your password, it won't be enough to sign into your account.

Get started

10. Choose your method of verification. We will prompt you to authenticate if unusual login activity is detected.

- **Passkey:** Use biometrics or a mobile device with a QR code.
- **Authenticator app:** Open your authenticator app and either scan the QR code or enter the code that appears manually. Enter the code that generates on your app.
- **Security key:** Tap or insert your device to register.
- **Symantec VIP:** Use Symantec VIP authentication to sign into your account.

11. Follow the process for the method of your choosing.

PLEASE NOTE: you may need to enter and verify your phone number for text and voice calls.

Choose your Bangor Savings Bank verification method

- Passkey**
Use built in biometrics or a mobile device with a QR code
- Authenticator app**
Use an authenticator app to generate a unique verification code. Any app that supports manual code entry can be used.
- Security key**
Use your security key to sign in securely anytime you sign in from a new computer or device.
- Symantec VIP**
Use Symantec VIP authentication to sign into your account. We support digital and hard tokens.

Register Secure Token

If you have received or installed your Secure Token/Credential, register it by entering the information requested below. If you do not wish to register your Secure Token/Credential at this time, or if you have not yet received or installed it, select Remind me later. Your secure token credentials will be used for authentication purposes when working with transactions within the Treasury Management platform.

1. If you have a key fob, enter the Serial Number, which is located on the back of the fob after the letters "S/N". If you are using a virtual token, enter the Credential ID, which begins with 4 letters.
2. Enter your Credential/Token Code. This is the random, six-digit code that is displayed on your credential.
3. Create a 4-digit PIN and enter it twice to confirm it. You will use this PIN in conjunction with the random code generated by your Secure Token/Credential.

Serial Number / Credential ID *

Token / Credential Code *

PIN *

Confirm PIN *

Register

Remind me later

When using Treasury Management, the system prompts you to enter a six-digit security code displayed on a virtual token, followed by your four-digit PIN to authenticate at challenge points.

The system uses the *Symantec VIP Access* app. Download the app from the App Store or Google Play.

To register your secure token, read the following instructions.

Virtual tokens:

1. In the *Serial Number/Credential ID* field, enter the Symantec VIP **Credential ID** which begins with 4 letters. This code appears at the top of your screen. Code is not case sensitive. Ignore spaces.
2. In the *Token/Credential Code* field, enter **the Security Code** which is a random, six-digit code that appears in the circle.
3. In the *PIN* field, create a 4-digit PIN and enter it twice to confirm it. When using your secure token in the future, you will use this PIN in conjunction with your Security Code to authenticate.
4. Click **Register**.

Dashboard

Use the *Dashboard* menu to view your accounts, news items, favorite reports, payments pending approval, and other available widgets. You can also make transfers and quickly access commonly used resource links.

The default widgets are *Accounts*, *Information Center*, *Resource*, and *Favorite Reports*. Other widgets may be added by clicking the **Configure Dashboard** button.

Tip: Adjust the layout by selecting **Configure Dashboard** in the top-right corner of the *Dashboard*. You can add, remove, edit, resize, and drag widgets to customize the Dashboard to work best for you.

The screenshot displays the Bangor Treasury Management Dashboard. At the top, the header includes the Bangor Savings Bank logo, 'Treasury Management' text, and navigation links for Message Center, Notifications, Cut-Off Times, and a user profile (Hi, testuser2 (SAF2789)). Below the header is a navigation bar with tabs for DASHBOARD, ACCOUNTS, PAYMENTS, REPORTING, and ADMIN. The main content area is titled 'My Dashboard' and features a 'Configure Dashboard' button highlighted with a red box. The dashboard is divided into several sections: 'Accounts' with 'Manage Groups' and 'Expand All/Collapse All' options, showing two groups with zero accounts and a balance of \$0.00; 'Information Center' with a message about bulletins and updates; 'Resource' with a message about helpful links; and 'Favorite Reports'. The footer contains copyright information (© 2026 Jack Henry & Associates, Inc.), a link to Terms and Conditions, and Member FDIC/Equal Housing Lender status.

Accounts Widget

Upon initial login, two account groups appear by default. No accounts appear until you assign accounts to the groups by selecting **Manage Groups**. You can also edit the group names and add or remove groups.

Manage Account Groups

- **Add Accounts:** Select this to assign accounts to groups. Select the box next to the accounts that you want to assign to the group. Select **Add Accounts** to save.
- **PLEASE NOTE:** An account can only be assigned to one group. If an account is assigned to a group, you must first remove it before you can add it to another group. A group can have a maximum of 50 accounts assigned.
- **Create New Group:** Select this to create an additional group to assign accounts to. Enter a unique Group Name and then select **Add Accounts** to assign accounts.
- **Delete Group:** Select this to remove the group.
- **Edit Group Name:** Select the *pencil icon* to rename a group.

Information Center Widget

View news items in this widget. Select the drop-down arrows to expand or collapse these messages. Different icons may appear in this widget. A blue “i” icon indicates information. A yellow icon indicates a warning. A black bell icon indicates an alert.

Resource Widget

Access links to helpful and commonly used sites in this widget.

Favorite Reports Widget

The reports that have been marked as favorite appear in this widget. Selecting a report in this widget takes you directly to that report, where you can view and customize the results, and create a custom report.

TIP: By default, the widget is blank. Mark reports as favorites in the Reporting Dashboard for them to appear.

Quick Transfer Widget

Create a simple one-to-one transfer without leaving the Dashboard in this widget.

TIP: By default, this widget may be hidden. Click **Configure Dashboard** to expose it.

Stop Payment Pending Approval Widget

View, approve, or reject the stop payments that are pending approval in this widget.

TIP: By default, this widget may be hidden. Click **Configure Dashboard** to expose it.

Positive Pay Widget

View, pay, or return the check and ACH exceptions that are pending approval in this widget.

TIP: By default, this widget may be hidden. Click **Configure Dashboard** to expose it.

Payments Pending Approval Widget

View, approve, or reject the transfer, ACH, or wire payments that are pending approval in this widget.

TIP: By default, this widget may be hidden. Click **Configure Dashboard** to expose it.

Quick Loan Payment Widget

Create a quick payment on a loan without leaving the Dashboard in this widget.

TIP: By default, this widget may be hidden. Click **Configure Dashboard** to expose it.

Check Lookup Widget

Lookup a check from any account without leaving the Dashboard in this widget.

TIP: By default, this widget may be hidden. Click **Configure Dashboard** to expose it.

Message Center

Use the *Message Center* to send and receive secure messages.

Click the **Message Center** button to access your inbox. You can also view your Sent or Archived messages.

When new messages are received, a notification is sent to your email address on record.

Composing a Message

Follow the steps outlined in this topic to create messages in the Message Center.

1. Select the **Message Center** button.
2. Select **Compose**.
3. Select a **Subject** from the drop-down list.
4. For the *Attach File* field, select **Select File**, and then choose the appropriate file if needed.
5. Accepted file type extensions are .csv, .doc, .docx, .gif, .jpeg, .jpg, .pdf, .png, and .txt.
6. Enter the Message to send.
7. Select **Send**.

Archiving a Message

Archived messages disappear from your inbox but can still be viewed in the Message Center.

- 1. Select the **Message Center** button.
- 2. Select a message to archive from the Inbox.
- 3. Select **Archive**.
- 4. An **Archive Message** dialog box opens.
- 5. Select **Archive**.

Notifications

Access Notifications from the top menu of Bangor Treasury Management. Notifications also appear in the bottom right corner of Bangor Treasury Management while working.

View All Notifications

- 1. Select the **View All Notifications** option to see an entire list of notifications, even those that have been archived. From this page, you can filter by type (All Notifications, Unread, Read, and High-Priority).
- 2. Select the check mark beside the notification, and then select **Mark Read**, **Mark Unread**, or **Delete**.
- 3. Filter the results by using the search box or by using the fly-out menu.

Archive All

- 1. Select the **Archive All** option to archive, not remove, all notifications.
- 2. Select **Archive** to confirm.

Cut-off Times

Access Cut-off Times in the top menu of Treasury Management. Cut-off times indicate when a wire, ACH, or internal transfer must take place by. For example, if the cut-off time for Transfers says 10:00 p.m., then all internal transfers should be submitted by 10:00 p.m. for processing that day. A notification is sent as a reminder.

User Menu

The user menu allows you to view and edit your personal and security information. It also allows you to set up alerts.

Profile and Preferences

Use the Profile & Preferences view to set up your personal and security information.

User Information

Use this section to update your personal information. The **Name** and **TM User ID** cannot be edited (your financial institution or company administrator configures this information). You may edit your email address and phone, mobile, and fax numbers.

Security Preferences

Use this section to update your Digital ID, password, or two factor authentication. Also, determine if you want to see account nicknames or account numbers.

Security and Password Settings

1. From the [User Name] Menu, select **Profile & Preferences**.
2. Select **Security and Password Settings** and enter your current credentials.
3. Click **Edit** to change your username or password, click **Add passkey** to add a Passkey, click **Manage** to manage your Connected Apps, or **Edit settings** to change 2-step verification settings.
4. Select **Save** if applicable.

Changing Your Account View

1. From the [User Name] Menu, select **Profile & Preferences**.
2. In the **Security Preferences** section, choose to show *Account Nicknames* or *Account Numbers* by default.
3. Choose to truncate account numbers by activating the **Account Number Masking** toggle.
4. Select **Save** if applicable.

Notification Setup

Use the **Notification Setup** view to set up your alert preferences for each module available in Treasury Management.

PLEASE NOTE: Some notifications may be set as required.

Configuring Notification Preferences

The preferences configured here determine how your notifications are sent and appear.

1. From the [User Name] Menu, select **Notification Setup**.
2. Enter or change your *Email address*.
3. Enter your *phone number* to receive text messages for the *Mobile #* field. This field is required if you select the **Text Message (SMS) checkbox**.
4. Categories of notifications are collapsed by default. Click the **plus sign** to expand.
5. Select the toggles for each item enable the notifications. If it is gray, you do not receive a notification.
6. Select the **Email**, **Desktop Notification**, or **Text Message (SMS)** check boxes for each enabled item to receive a notification.
7. Select **Submit**.

Follow the steps outlined in this topic to search for transactions that meet the specified criteria.

1. Go to Accounts > Research Transactions.
2. Complete the fields in the *Search Transactions* panel, as necessary.

Transaction Date

Select the desired date or date range.

Account Type

The type of account. Accounts can be Checking, Savings, or Loan.

Accounts

Select the appropriate account numbers, or leave all accounts selected by default.

Check # / Reference #

Select Specific # or Range from the drop-down list. Then, enter the check number or reference number used in the transaction.

Amount

Select Specific Amount or Range from the drop-down list. Then, enter the amounts in the text boxes available.

Payment Type

Select any combination from the drop-down list.

All payment types are selected by default. Then, select **Debit**, **Credit**, or Both.

3. Select **Search**.

The transactions meeting the criteria entered appear in the *Research Transactions* panel.

Select **Reset** for the fields to return to their default settings.

Payments

Use the *Payments* menu to work with various payments. Access Transfer, Wire, ACH, Positive Pay, and Stop Payment options from this menu.

Transfers

Create various internal transfers, view the transfer list, search transfers, and approve or reject transfers. Three icons appear throughout the *Transfer* view. Hover over or select these icons to view an informational message.

- When this icon appears beside a transfer, it means that there is an information message available for this transfer.
- When this icon appears beside a transfer, it means that the transfer has been changed.
- When this icon appears beside a transfer, it means that the transfer has an error.

Create a Transfer

Use the *Create Transfer* view to create a one-to-one transfer, one-to-many transfer, or many-to-one transfer.

Use this option to submit a one-time or future-dated transfer from one account to one or more accounts.

1. Go to Payments > Transfer > Create Transfer.
2. On the *Create Transfer* tab, select the kind of transfer to create:
 - One-to-One Transfers - move money from one account to another.
 - One-to-Many Transfers - move money from one account to many accounts.
 - Many-to-One Transfers - move money from many accounts to one account.
3. Complete the fields:

Transfer From

Type the account number or select the icon to choose an eligible account from your account list.
The available balance appears under the account.

Transfer To

Type the account number or select the icon to choose an eligible account from your account list.
The available balance appears under the account.

Amount

Enter the amount of the transfer.

Frequency

To create a recurring transfer, select one of the following options:

- One Time
- Weekly
- Every Two Weeks
- Twice a Month
- Monthly
- Quarterly
- Every Six Months
- Yearly

Depending on your selection in the *Frequency* field, you may be prompted to enter data in the following field options:

- Effective Date
- Repeat On Day or Repeat On Days
- Repeat On
- Start On
- End On (*No End Date* is an option for this field when it appears)
- Transfer Date. Select the date of the funds transfer using the calendar icon.

Memo

Enter information related to the funds transfer.

4. Select **Review**.
5. Review the transfer information entered to ensure that it is accurate and click **Confirm**.

Use the Transfer Activity view to look at a list of transfers with various statuses and also view transaction history.

1. Go to Payments > Transfer > Transfer Activity.
2. Select the *Transaction ID* of the transfer to change.
3. Edit the fields as necessary.
4. Select **Confirm**.
5. Enter a comment in the field, and then select **Confirm**.

ApproveReject

Approving or Rejecting a Transfer

Follow the steps outlined in this topic to approve or reject transfers.

1. Go to Payments > Transfer > Transfer Activity.
2. Select the check box beside the Transaction ID to approve or reject.
3. Select either **Approve** or **Reject**.
4. Enter Comments for the approval or rejection, if necessary.
5. Select either **Approve Transfer** or **Reject Transfer**.

Canceling a Transfer

Follow the steps outlined in this topic to cancel selected transfers.

1. Go to Payments > Transfer > Transfer Activity.
2. Select **Cancel Transfer** beside the transaction to cancel.
3. Enter a comment in the field, and then select **Cancel Transfer**.

Recurring Transfers

Use the *Recurring Transfers* view to locate, approve, reject, and cancel a recurring transfer series. Use the Search on the side panel to lookup a specific recurring transfer if necessary.

Approve Reject

Approving or Rejecting a Recurring Transfer

Follow the steps outlined in this topic to approve or reject recurring transfers.

1. Go to Payments > Transfer > Recurring Transfers.
2. In the Recurring Transfer List panel, select the check box beside the *Transaction ID* to approve or reject.
3. Select either **Approve** or **Reject**.
4. Enter Comments appropriate for the approval or rejection.
5. Select either **Approve Transfers** or **Reject Transfers**.

Canceling a Recurring Transfer Series

Follow the steps outlined in this topic to cancel a series of recurring transfers.

1. Go to Payments > Transfer > Recurring Transfers.
2. Select **Cancel Series** beside the recurring transfer to cancel.
3. Enter Comments appropriate for the cancellation.
4. Select **Cancel Recurring Series**.

Transfer Templates

Create a Transfer Template

Follow the steps outlined in this topic to create one-to-one, one-to-many, and many-to-one transfer templates.

1. Go to Payments > Transfer > Transfer Templates.
2. Select **Create New Template**.
3. Select the type of transfer:
 - One-to-One Transfers
 - One-to-Many Transfers
 - Many-to-One Transfers
4. Complete the following fields on the *Transfer Template Details* tab.
5. Select **Review**.
6. Review the information entered to ensure that it is accurate.
7. Select **Confirm**.

The screenshot shows the Bangor Treasury Management interface. At the top, there's a navigation bar with links for Message Center, Notifications (17), Cut-Off Times, Last Login: 06/03/2026, 03:35 PM, EST, and a user profile (Hi, testuser2 (SAF2789)). Below this is a secondary navigation bar with links for DASHBOARD, ACCOUNTS, PAYMENTS (selected), REPORTING, and ADMIN. The main content area is titled 'Transfer Templates' with a sub-header 'Transfer Activity | Recurring Transfers'. A red box highlights the 'Create New Template' button. Below this is a search bar with the placeholder text 'Type to filter'.

The screenshot shows the 'Create Transfer Template' form. At the top, there's a navigation bar with links for Message Center, Notifications (17), Cut-Off Times, Last Login: 06/03/2026, 03:35 PM, EST, and a user profile (Hi, testuser2 (SAF2789)). Below this is a secondary navigation bar with links for DASHBOARD, ACCOUNTS, PAYMENTS (selected), REPORTING, and ADMIN. The main content area is titled 'Create Transfer Template' with a sub-header '1. Create Template | 2. Review | 3. Confirmation'. The 'Transfer Template Details' section includes radio buttons for 'One-to-One Transfers' (selected), 'One-to-Many Transfers', and 'Many-to-One Transfers'. Below this are input fields for 'Template Name', 'Transfer From' (From Account), 'Transfer To' (To Account), 'Amount' (\$0.00), and 'Memo'. A legend indicates that an asterisk (*) denotes a required field. At the bottom, there are buttons for 'Review', 'Reset', and 'Cancel'.

Create a Transfer from a Template

To create a template, please see the Transfer Template section of this guide.

1. Go to Go to Payments > Transfer > Create Transfer from Template.
2. Select which template to use.
PLEASE NOTE: You can only initiate templates with a **Ready** status.
3. Select **Initiate Payments**.

Transfer Templates ⁱ [Transfer Activity](#) [Recurring Transfers](#) [Create New Template](#) [Download](#) [Print](#)

Wires

Creating a Domestic USD Wire

Use this process to create a domestic wire using US dollars.

1. Select **Wires** from the Dashboard.

The screenshot shows the Bangor Treasury Management Dashboard. At the top, there's a header with the Bangor Savings Bank logo, 'Treasury Management', and navigation links for Message Center, Notifications, Cut-Off Times, Last Login, and user information. Below this is a secondary navigation bar with 'DASHBOARD', 'ACCOUNTS', 'PAYMENTS', 'REPORTING', and 'ADMIN'. The 'Wires' button in the 'DASHBOARD' section is highlighted with a red box.

2. Select **+ Create new wire**

The screenshot shows the Bangor Treasury Management Wires page. At the top, there's a header with the Bangor Savings Bank logo, 'Treasury Management | Wires', and navigation links for Message Center, Notifications, Cut-Off Times, Last Login, and user information. Below this is a secondary navigation bar with 'Wires Admin' and 'Back to Dashboard'. The '+ Create new wire' button is highlighted with a red box.

3. Complete the required fields and additional information as needed on the *Transfer Details* page.

The screenshot shows the Bangor Treasury Management Create Wire page. At the top, there's a header with the Bangor Savings Bank logo, 'Treasury Management | Create Wire Domestic', and navigation links for Message Center, Notifications, Cut-Off Times, Last Login, and user information. Below this is a secondary navigation bar with 'Wires Admin' and 'Back to Dashboard'. The 'Transfer Details' section is highlighted with a red box. This section contains several input fields: 'Amount' (with a dollar sign and '0.00'), 'Instruction Identification', 'End-to-End Identification', 'Transaction Description', and 'Remittance Information'. There are also 'Cancel', 'Back', and 'Next' buttons at the bottom.

Amount

Enter the dollar amount of the wire.

Instruction Identification

Special instructions for the receiving institution.

End-to-End Identification

Enter reference information to identify the transfer on both sending and receiving side.

Transaction Description

Enter a description that will appear on payment summaries.

Remittance Information

Enter information you wish to communicate to the creditor.

4. Click **Next**.
5. Complete the required fields and additional information as needed on the *Debtor* page. The Debtor is the person or company sending the wire.

Account Selection

Select the account to debit for the wire amount.

Name

Enter the person or company name on the account that is to be debited.

Address fields

Enter the address for the person or company that is being debited.

- Complete the required fields and additional information as needed on the *Creditor Agent* page. The Creditor Agent is the financial institution who holds the creditor's account.

Creditor Agent Step 4 of 6

Creditor Agent ⓘ

Member ID * ⓘ

Name * ⓘ

Street Name

Building Number

Town / City *

State / Province

Post Code

Country Code *

[Cancel](#) [Back](#) [Next](#)

Member ID

Enter the wire routing number for the creditor's financial institution.

Name

Enter the name of the creditor's financial institution.

Address fields

Enter the address for creditor's financial institution.

- Click **Next**.

- Enter the *Member ID* on the *Instructed Agent* page.

The *Member ID* is the routing number for the receiving financial institution. In most cases, this is the same Member ID (routing number) that was used for the Creditor Agent. A different Instructed Agent Member ID would only need to be entered if the Creditor's financial institution cannot directly receive wires from the Federal Reserve and uses a correspondent bank.

Instructed Agent Step 5 of 6

Submit

14. Click **Submit**.

The wire will appear in your activity list with one of the following statuses:

Pending Approval
Dual control is activated and at least one other user at your company needs to approve the wire before it is processed.

Processing
The wire has been approved and is in queue to process.

Complete
The wire has been processed

Rejected
Another user at your company rejected the wire and it will not process.
Please Note: Rejected wires cannot be edited. A new wire must be created.

Approving/Rejecting a Domestic USD Wire

Use this process to approve or reject wires that require dual control.

- 1. Select **Wires** on the Dashboard

- 2. Click the wire in a *Pending Approval* status from your wire activity list.

- 3. Review the wire details and click **Approve** to process the wire or click **Reject** to cancel the wire. The wire status will change to *Processing*.

Please Note: If additional approvals are needed, the wire will remain in a Pending Approval status until the correct number of users have approved it.

Creating a Foreign Currency Wire

Use this process to create a wire in a foreign currency.

FX wires can be sent to individuals or companies banking outside the United States.

1. Go to **Payments > Wire > Create FX Wire**.
2. Upon your first login, accept the terms and conditions.
3. Choose three security questions and provide the answers. Click **Submit**.
4. If a password reset screen is presented, type in a new password of your choice. (This will only appear once and will not be required moving forward.)

Requesting a Rate Quote

1. Go to **Payments > Wire > Create FX Wire**.
2. Select the currencies you wish to buy and sell.
3. Enter the *Amount*.
4. Click **Get Quote**. The rate will display.

The screenshot shows the Corpay Cross-Border dashboard. The top navigation bar includes links for Home, Multi-Currency Accounts, Payments, Templates, Upload, and Reporting. The main content area is titled 'Your Dashboard' and includes sections for Updates, Archived News, Resources & Help, and What's New. The central 'SPOT TRADE' section displays a form for buying and selling currencies. The 'You Buy' section shows 'CAD-Canadian Dollar' and the 'You Sell' section shows 'USD-US Dollar'. The 'Amount' field is set to '10'. A red box highlights the 'GET QUOTE' button. Below the button, the exchange rate is displayed as '1.32885 / 0.75253' and 'CAD 10.00 = USD 7.53'. The 'RATE EXPIRY' is shown as '9'. To the right, the 'ACTION ITEMS' section lists '3 Payment(s) awaiting approval', '1 Saved payment(s)', and '1 Rejected payment(s)'. The 'REPORTS' section includes 'End Of Day Report', 'Payment History', and 'Settlement History'.

Creating an FX Wire Beneficiary

1. Go to **Payments > Wire > Create FX Wire**.
2. Click **Templates > Beneficiaries**.

The screenshot shows the Corpay Cross-Border dashboard. The top navigation bar includes links for Home, Multi-Currency Accounts, Payments, Templates, Upload, and Reporting. The main content area is titled 'Your Dashboard'. The 'Templates' dropdown menu is open, and the 'Beneficiaries' option is highlighted with a red box. Other options in the dropdown include 'Beneficiary Requirements', 'IBAN Validation', and 'External Accounts'. The 'Beneficiary Requirements' option is also highlighted with a red box.

3. Click **Create New Beneficiary**.

10. Select **Review** and choose your *Offset Account*.
11. Select **Confirm**.

Uploading a Nacha Formatted File

1. Go to Payments > ACH > Create ACH Payment.
2. Within the *Create Payment* tab, select **Upload NACHA File**.
3. Select **Select File** and browse for the appropriate file.
Your file must be formatted to Nacha® specifications and all ABA numbers must be accurate. The company header record must match a company that you are entitled to create ACH batches for.
4. Select **Upload**.

Recipient Name	ID Number	Account Number	Account Type	Routing Number	Credit/Debit	Amount	Prenote	Hold	Addenda
Employee One	S1245	123456	Checking	101000925	CR	\$0.01	No	No	Addenda
Employee Two	J4565	456815	Checking	082901855	CR	\$0.01	No	No	Addenda
Employee Three	H5698	159415	Checking	082901855	CR	\$0.01	No	No	Addenda
OFFSET	B32333	4024118560	Checking	211274382	DR	\$0.03	No	No	Addenda

5. Change the name of the payment if desired.
6. Select an option from the Frequency drop-down list.
7. Enter the *Effective Date* of the payment as it does not pull from the file.
8. Select **Review** and choose your *Offset Account*.
9. Select **Confirm**.

Create ACH Tax Payment

Creating an ACH Tax Payment Manually

Follow the steps outlined in this topic to create ACH tax payments manually.

1. Go to Payments > ACH > Create ACH Tax Payment.
2. Within the *Create Payment* tab, select **Manual Entry**.

3. Enter the *Tax Payment Name*, *Tax Period End Date*, and the *Tax Code*.
A drop-down menu with tax codes allows you to select the correct code. If the necessary tax code is not available, you can enter the code manually.
4. Enter the *Tax Payer ID*, *ACH Company Name*, and *Pay from Account*.
5. Select the *Effective Date* of this ACH payment using the **calendar icon**.
6. Enter the *Amount*.
7. Enter the *Amount Type* field, if applicable.

Federal taxes allow the following entries:

- 1 SOCS = Social Security amount
- 2 MEDI = Medicare amount
- 3 WITH = Withholding amount
- 1 FICA = Tier 1 if code CT-1 was used
- 2 Industry = Tier 2 if code CT-1 was used
- 6 Supplemental = Tier 3 if code CT-1 was used

PLEASE NOTE: If you use a tax code that does not require subcategories, the Amount Type Code field does not appear.

8. To include up to two additional Amount/Amount Type fields, select the **+** option.
9. Complete the recipient fields.
10. Select **Review**.
11. Select **Confirm**.

Create Child Support Payment

Creating a Child Support Payment Manually

1. Go to Payments > ACH > Create Child Support Payment.
2. Within the *Create Payment* tab, select **Manual**.
3. Complete the *Payment Header Information*.

ACH Payment Activity

Use the *ACH Payment Activity* view to work with ACH payments.

TIP: The Transaction ID for a tax payment shows a T at the end. It shows a C at the end for child support payments.

Approving or Rejecting an ACH Payment

Follow the steps outlined in this topic to approve or reject selected ACH payments.

1. Go to Payments > ACH > ACH Payment Activity.
2. Select the check box beside the Transaction ID.
3. Select **Approve** or **Reject**.
The Comments For Status Change dialog box appears.
4. Enter a comment in the field, and then select **Approve** or **Reject**. A confirmation message appears.

Editing an ACH Payment

Follow the steps outlined in this topic to edit selected ACH payments.

1. Go to Payments > ACH > ACH Payment Activity.
2. Select the *Transaction ID*.
3. Select **Edit Payment**.
You can only edit if the ACH payment has a status of:
 - Approval Rejected
 - Cancelled
 - Failed
 - Uninitiated
4. Edit the fields as necessary.
5. Select **Review**.
6. Select **Confirm**.

Canceling ACH Payment Activity

1. Go to Payments > ACH > ACH Payment Activity.
2. In the Actions column, Select **Cancel**.
3. Enter Comments about the cancellation, and then select **Cancel Payment**.

Canceling an ACH payment removes the payment from processing entirely.

- An ACH payment can only be canceled if the transaction has **not been processed** and the Cancel action is available.
- A canceled payment cannot be re-initiated and must be recreated if needed.

Uninitiating ACH Payment Activity

1. Go to Payments > ACH > ACH Payment Activity.
2. Select **Uninitiate**.
3. The **Confirm Uninitiate** dialog box appears.
4. Enter Comments, and then select **Uninitiate Payment**.

Uninitiating an ACH payment removes the payment from processing and returns it to a **Ready** status so it can be edited or initiated again.

- An ACH payment can be uninitiated only when the payment is in an **Initiated** status.
- Once uninitiated, the payment will not be processed unless it is initiated again.

Recurring ACH Payments

Editing a Recurring ACH Payment

1. Go to Payments > ACH Payment Activity > Recurring ACH Payments.
2. Select the **Transaction ID**.

The screenshot shows the 'Recurring ACH Payments' page in the Bangor Treasury Management system. The page includes a search bar, a table of payments, and action buttons. The Transaction ID 'A000015975442' is highlighted in a red box. The status is 'PENDING APPROVAL'.

Transaction ID	Batch Name	ACH Company Name	SEC Code	Created Date	Debit Amount	Credit Amount	Frequency	Next Payment D.	Status	Actions
A000015975442	STACKS AND SNACK 0000001	STACKS AND SNACK	PPD	06/04/2026	\$0.03	\$0.03	Quarterly	06/30/2026	PENDING APPROVAL	Cancel

3. Select **Edit Payment**.
PLEASE NOTE: You cannot edit a recurring ACH payment in Pending Approval status.
4. Edit the fields, as necessary.
5. Select **Review**.
6. Select **Confirm**.

Canceling a Recurring ACH Payment

1. Go to Payments > ACH > Recurring ACH Payments.
2. Select Cancel beside the recurring ACH payment. The Confirm Cancel Payment dialog box appears.
3. Enter Comments about the cancellation, and then select **Cancel Payment**.

ACH Templates

Creating an ACH Template

1. Go to Payments > ACH > ACH Templates.
2. Select **Create New Template**.
3. On the Create Template tab, choose **Manual Entry** or **Upload Nacha File**.
4. Browse for your file and click Upload if you chose Upload Nacha File.
5. Complete the fields if you chose Manual Entry.

Template Name

Enter the name of the template.

ACH Company Name

Either enter the *name of the ACH company* or select the **Search icon**, and then choose **Select** beside the appropriate Company Name.

ACH Company ID

The identification number of the ACH company.

Select the code from the drop-down list that corresponds to the previous selection.

Enter any other necessary information.

6. Select **Add Recipients**.
7. Complete the recipient information fields.
8. Select **Review**.
9. Select **Confirm**.

Initiate Selected Templates

4. Change the *SEC Code*, *Entry Description*, and *Discretionary Data* fields, as needed.
5. Select the *Restrict Payment* check box, if appropriate.
6. Select an option from the Frequency drop-down list.
Options are:
 - One Time
 - Weekly
 - Every Two Weeks
 - Twice a Month
 - Monthly
 - Quarterly
 - Every 6 Months
 - Annually
7. Select the Effective Date of this ACH payment using the **calendar** icon.
8. Select **Add Recipients** to proceed to the *Manage Recipients* tab.

9. Edit the recipient information, as needed.
PLEASE NOTE: Select **+ Add** to add a recipient row, if necessary, and then complete the information.
10. Select **Review** and choose your *Offset Account*.
11. Select the *Apply Updates to the Template* check box, if appropriate. This step updates the template saved on the ACH Templates page.
12. Select **Confirm**.

ACH Tax Templates

Creating an ACH Tax Template Manually

Follow the steps outlined in this topic to create ACH tax templates manually.

1. Go to Payments > ACH > ACH Tax Templates.
2. Select **Create New Template**.

The screenshot shows the Bangor Savings Bank Treasury Management interface. The top navigation bar includes links for Message Center, Notifications (38), Cut-Off Times, Last Login: 06/04/2026, 05:54 PM, EST, and a user profile for Hi, testuser2 (SAF2789). The main navigation bar has tabs for DASHBOARD, ACCOUNTS, PAYMENTS, REPORTING, and ADMIN. The PAYMENTS tab is selected. Below the navigation bar, the breadcrumb trail shows > ACH Tax Templates | ACH Templates. The 'Create New Template' button is highlighted with a red box.

3. On the *Create Template* tab, select whether you are creating a **Federal** or **State** template.

The screenshot shows the 'Create ACH Tax Template' form in the Bangor Savings Bank Treasury Management interface. The form is divided into three steps: 1. Create Tax Template, 2. Review, and 3. Confirmation. The '1. Create Tax Template' step is active, showing fields for Template Name, Tax Code, Tax Payer ID, ACH Company Name, Amount, Recipient Name, Recipient ID Number, Recipient Routing Number, Recipient Account Number, and Recipient Account Type. A 'Restrict Template' checkbox is also present. The form is titled 'Create Tax Template' and includes a note: '* Indicates Required Field'.

4. Complete the fields on the Create Tax Template tab.
5. Select the *Restrict Template* check box, if appropriate.
6. Select **Review**.
7. Review the information entered to ensure that it is accurate.
8. Select **Confirm**.
PLEASE NOTE: The template may require approval before you can initiate it.

ACH Recipients

The ACH Recipients page displays all saved recipients and offers the ability to select recipients to create payments from.

Adding an ACH Recipient

1. Go to Payments > ACH > ACH Recipients.
2. Select **Add Recipient**.

Determining the Import Layout

Follow the steps outlined in this topic to customize the layout of ACH recipient imports.

1. Go to Payments > ACH > ACH Recipient Import Layout.
2. Select a format and follow the corresponding steps.

Format	Steps
The upload format is delimited.	a) Select Delimited for the <i>Upload Format</i> field. b) Enter the field location in the text box available to change the default positions for Name, ID Number, Routing Number, Account Number and Amount. c) Account Type/Transaction Type/Transaction code: If your file does not use a Transaction Code, delete the number from that field to display the Account Type and Transaction Type fields (or click the link), and use those entries instead. PLEASE NOTE: All field positions must be unique. If there is a duplicate entry, the box appears in red with a warning under it.
The upload format is fixed position.	1. Select Fixed Position for the <i>Upload Format</i> field. 2. Enter a Begin and End field location in the text boxes available to change the default positions for Name, ID Number, Routing Number, Account Number and Amount. 3. Account Type/Transaction Type/Transaction code: If your file does not use a Transaction Code, click the Use Account and Transaction Types Instead link to expose the Account Type and Transaction Type fields and enter the field locations in those fields. a. For Account Type, enter the indicators for Checking, Savings, Loan and GL. b. For Transaction Type, enter the indicators for Debit and Credit. PLEASE NOTE: The End value must be greater than the Begin value. If the values match, the End value appears in red with a warning.

3. Select **Save**.

ACH Reversals

You can reverse full ACH payments or individual transactions, provided your ACH company is allowed to originate both debits and credits.

You can create an ACH reversal only during a specific window. Reversals are allowed:

- Before cutoff on the first through fifth days after the business day effective date.
- After cutoff on the first through fourth days after the business day effective date.

Reversing an ACH Payment

Follow the steps outlined in this topic to reverse selected ACH payments.

1. Go to Payments > ACH > ACH Payment Activity.
2. Select a payment to reverse.
3. Select an option:
 - Reverse Full Payment
 - Reverse Transaction(s)

If you select Reverse Transaction(s), a Reverse check box appears next to each listed transaction.
4. Select individual transactions to reverse, if necessary.

Held and prenote transactions cannot be reversed. Use the Reversals Only check box above the list of transactions to view only those transactions you have selected.

5. Select **Create Reversal**.
The *Reverse ACH Payment* screen appears.
6. Review your reversal selections, and then select **Confirm**.

ACH Notification of Change Activity

Review the information associated with a Notification of Change on an ACH Payment.

1. Go to **Payments > ACH > ACH Notification of Change Activity**

2. Change the Pay or Return options as needed for each exception item.
Or, you can select the column name for all exceptions to be marked the same way. For example, if the Pay column is selected, all exceptions are marked as Pay.
PLEASE NOTE: If no return reason is selected, the default reason applies when saved.
3. Select **Review**.
4. Select **Save**.

Submitting a Check Exception Correction Request

Users can submit requests for corrections in check exceptions when the feature is active for your institution.

1. Go to Payments > Positive Pay > Check Exceptions.
2. Select the **Details** option for the necessary exception.
3. Select **Request Correction**.
4. Select the item to correct from the drop-down menu.
5. Enter the corrected value.
6. If there are additional corrections necessary for the same exception, select **Add Another Correction** and complete the additional fields.
7. Enter any necessary Comment to FI.
8. Upload any necessary Attachment.
9. Select **Review**.

Correction requests are secure messages. A copy of the request is available in your company's Sent items within the Message Center.

Check Exceptions – Decision Activity

Issued Items

Create Issued Items

Follow the steps outlined in this topic to create issued checks for selected accounts.

1. Go to Payments > Positive Pay > Create Issued Items
2. On the Manage Issued Items tab, select **Manual Entry**.

3. Select **Check** or **Void** from the Type drop-down box.
4. Enter the *Account Number* or select the **Search icon** to choose from a list of accounts.
5. Enter the *Check Number*, *Date Issued*, *Check Amount* and *Payee Name*.
6. Select **+ Add Row** and complete the item details if necessary
7. Select **Review**.
8. Review the information entered to ensure that it is accurate.
9. Select **Confirm**.

Uploading Issued Items

Use the *Create Issued Items* option to upload issued items. Please see the *Check Upload Formats* section for instructions on how to create an upload format.

1. Go to Payments > Positive Pay > Create Issued Items
2. Select **Upload File**.
3. Select the format of the file that you are uploading from the *Saved Format* drop-down list.
4. Enter the account number for the *Account* field. If you've included the account in your upload file format, this field will be greyed out.
5. Choose **Select A File**, browse to and select the file to upload, and then select **Open**.

6. Select **Upload**.
7. Review the information entered to ensure that it is accurate.
Select **+ Add Row** to add an issued item. You can also select the **delete** icon to remove an issued item.

Check Upload Formats

Creating a Check Upload Format

1. Go to Payments > Positive Pay > Issued Items Upload Formats.
2. Select **Create New Format**.

The screenshot shows the 'Issued Items Upload Formats' page. At the top, there's a navigation bar with 'DASHBOARD', 'ACCOUNTS', 'PAYMENTS', 'REPORTING', and 'ADMIN'. The 'PAYMENTS' tab is selected. Below the navigation bar, the page title is 'Issued Items Upload Formats'. On the right side, there is a 'Create New Format' button, which is highlighted with a red box. Below the title, there is a table with columns: 'Upload Formats', 'Type', 'Created Date', 'Created By', and 'Actions'. The table contains one record with the type 'Delimited'. Below the table, it says '1 Records'. There is also a 'Print' icon on the right.

The screenshot shows the 'Issued Items Template Formatting Tool' page. At the top, there's a navigation bar with 'DASHBOARD', 'ACCOUNTS', 'PAYMENTS', 'REPORTING', and 'ADMIN'. The 'PAYMENTS' tab is selected. Below the navigation bar, the page title is 'Issued Items Template Formatting Tool'. Below the title, there are two tabs: 'Delimited' and 'Fixed Position'. Both tabs are highlighted with a red box. Below the tabs, there is a 'Format Name' field. Below that, there is a section for 'Delimited' settings. It includes 'Exclude Header Rows' and 'Exclude Footer Rows' fields, both set to 0. Below that, there is a section for 'Item Amount' with three radio buttons: 'Decimal Included' (selected), 'Whole Dollar (798 = 798.00)', and 'Implied Decimal (798 = 7.98)'. Below that, there is a section for 'Issued Date Format' with a dropdown menu set to 'mm/dd/yyyy'. Below that, there is a section for 'Void Date Format' with a dropdown menu. To the right of these settings, there is a 'Column Order' section with a list of fields: 'Issued Date', 'Item Amount', 'Item Number', 'Account Number', 'Account Type', 'Payee', 'Void Date', and 'Void Indicator'. Each field has a corresponding input box. At the bottom of the page, there are 'Save' and 'Cancel' buttons.

3. Select **Delimited** or **Fixed Position** for the *Upload Format*.
If **Fixed Position** is selected, the values entered in the following steps must be greater than 0, the values entered cannot match, and the ending value must be greater than the beginning value.

Enrollment Status options are as follows:

- **New** - The user has been created but not yet submitted for approval.
- **Pending Approval** - The user was created and submitted for approval but is not yet approved.
- **FI Pending Approval** - The user was created and submitted for approval but the user has not yet been approved.
- **Enrolled** - This user can log on to the application and conduct business if the Active / Inactive toggle is set to Active.
- **Not Enrolled** - The user was created, but the entitlement process may not be complete, or the creator is not yet ready to allow this new user to log on. This user could be a new user that has not yet started their position.
- **Active** - The user was created, approved, enrolled, and set to Active. This user can log on and conduct any business they are entitled to do.
- **Inactive** - The user may be created, approved, and enrolled, but Inactive status prohibits the user from logging on.
- **Edited** - The user's account access or entitlements were modified but not submitted.

- **Super Users** - Super users have access to all accounts and product feature permissions enabled for the company, including accounts and product features enabled in the future.
- **Admin** - Admins can add, edit, delete, and approve company users.

Actions Drop-Down Menu

The following options are available from the Actions drop-down menu on the Account Lists page:

- **View User** – Review the user's permissions, limits, and profile information.
- **Send Reset Password Link** - Email the user a link to complete a password reset
- **Edit User** – Manage a user's permissions, limits, and delete if necessary.
- **Copy User** - You can copy an existing user to make a new user with the same access, entitlements, and limits.

Viewing User Information

1. Go to Admin > User List.
2. Select **View User** from the Actions drop-down list beside the appropriate user.
3. Scroll through the User Information, Account Access, and Entitlements options to view specific information.

Select **Show Unsubmitted Edits** to view any changes that have been made but not yet saved. You can Submit those changes or Discard All Edits, if appropriate. You may also select **Edit** to modify the user information as needed.

Resetting Passwords

1. Go to Admin > User List.
2. Select **Reset Password** from the *Actions* drop-down list beside the appropriate user.
3. Select **Auto Generate Password** or **Manually Set Password**.
4. Enter a Temporary Password if Manually Set Password is selected.
5. Select **Send Password**.

Copying a User

1. Go to Admin > User List.
2. Select **Copy User** from the *Actions* drop-down list beside the appropriate user.
3. Complete the following fields for the new user.
4. Select whether the new user is a *Super User*, *Admin*, or both.

Super User

A super user has access to all accounts and product feature permissions that are enabled for the company. This access includes accounts and product features enabled in the future.

Admin

An admin can add, edit, delete, and approve company users.

PLEASE NOTE: By default, the new user has the same permissions as the copy-from user.

5. Select **Save Changes**.
6. On the following fields, adjust the new user's access as needed:
 - Account Access
 - IP Access
 - Time Access
 - Entitlements
 - User Limits
7. Select **Submit** for Enrollment.

Editing User Information

Follow the steps outlined in this topic to edit information for selected users.

1. Go to Admin > User List.
2. Select **Edit User** from the *Actions* drop-down list beside the appropriate user.
3. On the *User Information* tab, change the fields as needed, and then select **Save Changes**.
4. Page through to edit a user's account access, time access, IP restriction, entitlements, and limits.
PLEASE NOTE: Select **Save** on each page before moving on.
5. Select **Save** to process the changes.
PLEASE NOTE: Depending on your institution's settings, changes may require approval from the institution or another admin.
6. Ensure that you have saved all changes throughout this page, and select **Back to User List**.

Approving or Rejecting a User

You can approve or reject pending users from the User List. This step may be required depending on your financial institution's settings.

1. Go to Admin > User List.
2. Select **Approve/Reject** from the *Actions* drop-down list beside the appropriate user.
3. Select whether to Approve or Reject the user. A comment window appears.
4. Enter any necessary comments.
5. Select **Save**.

Creating a User

Use Create New User to create a user and set their permissions. Required fields are marked with a red asterisk in Bangor Treasury Management.

1. Go to Admin > Create a User.
2. Complete the fields.
3. Select whether the new user is a Super User, Admin, or both.

Super User

A super user has access to all accounts and product feature permissions that are enabled for the company. This access includes accounts and product features enabled in the future.

Admin

An admin can add, edit, delete, and approve company users.

4. Select **Save Changes**.
Continue to enter information by navigating the tabs in the sidebar.
5. Page through to edit the user's account access, time access, IP restriction, entitlements, and limits.
TIP: Select **Toggle Row** to select all the check boxes that appear in that row. If the user must have access to all items listed in a certain column, select the check box immediately beneath the column name.
6. On the User Limits tabs, enter the Product Daily Limit, Daily Initiation Limit/Total Daily Limit, and Approval Limit, and then select **Save Changes**.
7. After completing all tabs, select **Submit for Enrollment**.

Entitlement Field Definitions

Reference the following field definitions when working with entitlements.

Product Daily Limit
The product daily limit.

Daily Initiation Limit
The daily limit on initiations.

Approval Limit
The approval limit.

Transaction Limit
The transaction limit.

Daily Limit
The daily limit.

Restricted Batch
Select Restricted Batch, if appropriate. If enabled, the user can restrict batch payments and batch approvals from the view of other users.

Create ACH Template
If selected, the user can create an ACH template.

Full Edit ACH Template
If selected, the user can edit information within a template.

Partial Edit ACH Template
If selected, the user can only edit amounts, prenote and hold selections, and addenda information.

Delete ACH Template
If selected, the user can delete an ACH template.

Approve ACH Template
If selected, the user can approve the creation of a template.

Create ACH Payment
If selected, the user can create and initiate a one-time, future-dated, or recurring ACH payment.

Full Edit ACH Payment
If selected, the user can edit scheduled and recurring payments.

Delete ACH Payment
If selected, the user can cancel or uninitiate a payment.

Approve ACH Payment
If selected, the user can approve an ACH payment.

Partial Edit ACH Payment
If selected, the user can only edit amounts, prenote and hold selections, and addenda information.

File Upload Edit

If selected, the user can clear a batch within a multi-batch ACH upload file during the initiation process.

Upload/Create ARP Files

If selected, users can import an issued items file in fixed position or delimited file layout.

Download ARP Files

If selected, users can export their exceptions into CSV or PDF format.

Work ARP Exceptions

If selected, users can choose to pay or return check exceptions.

Work ACH Exceptions

If selected, users can choose to pay or return ACH exceptions.

CDR Balance

The user can work with the CDR Balance.

PDR Balance

The user can manage the PDR balance.

Date Range Balance

The user can work with the date range balance.

CDR Transaction

The user can work with CDR transactions.

PDR Transaction

The user can work with PDR transactions.

Date Range Transaction

The user can work with date range transactions.

EDI Report

EDI Reporting requires an additional contract.

Create Internal Transfer/Loan Payment

The user can create internal transfers/loan payments.

Edit Internal Transfer/Loan Payment

The user can edit internal transfers/loan payments.

Delete Internal Transfer/Loan Payment

If selected, users can cancel or cancel series.

Approve Transfer/Loan Payment

The user can approve transfers/loan payments.

Add Stop Payment

The user can add stop payments.

Approve Stop Payment

The user can approve stop payments.

Cancel Stop Payment

The user can cancel stop payments.

Electronic Documents

The user can work with electronic documents.

Assigning Wire Permissions

Use this process to grant wire permissions and limits to a user.

1. Select **Wires** on the Dashboard.

2. Click **Wires Admin**.

3. Select the *Users* tab.

4. Locate the user and select the appropriate wire role from the drop down menu.

To review or edit the permissions assigned to a role, select Role permissions. Visit the Reviewing/Modifying Wire Roles section of this guide for more information. Visit the Creating Wire Roles section of this guide for steps to create a new role.

Reviewing/Modifying Wire Roles

Use this process to review or edit permissions that are assigned to a wire role.

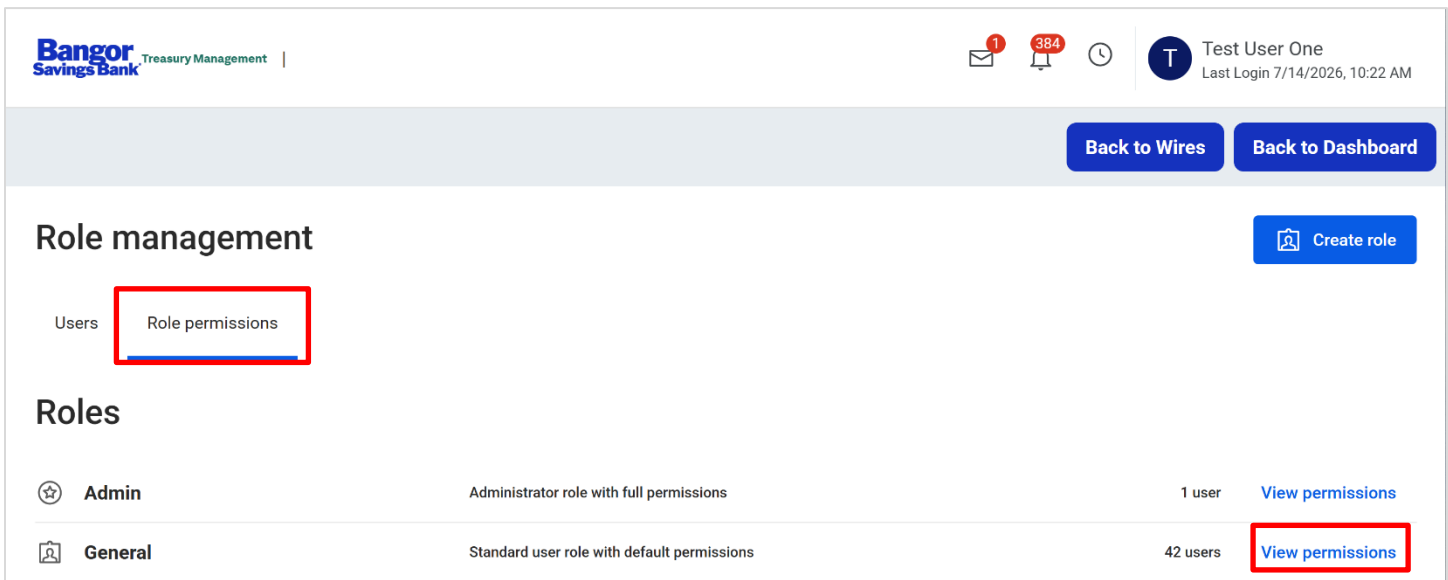

1. Select **Wires** on the Dashboard.

2. Click **Wires Admin**.

3. Select the *Role permissions* tab.

4. Select **View Permissions** to review or modify the permissions and limits assigned.

Manage Users

User can change the role assigned to other users

Wires

User can work with wires. Click **Details** for more options.

Approve wire

Users can approve wires in a Pending Approval status.

Create One Time Wire

Users can create wires.

Create Wire Draft

Users can create a wire to process at a later date.

User Daily Wire Limit

The maximum dollar amount a user can transfer per day across all accounts. Check the *Sync to default* box to prefill the dollar amount at the Admin level.

Please Note: This limit applies to all users who are assigned to this role. Once the limit is met by one user, others with the same role cannot create wires until the limit resets the next day.

User Single Wire Limit

The maximum amount a user can transfer per wire. Check the *Sync to default* box to prefill the dollar amount at the Admin level.

Required approvals

Select the number of additional users who need to approve a wire before it is processed.

Accounts

Select the accounts that can be debited for wires.
